Anne Gabriellini, Arizona PTA President

Dear Convention Attendees,

The focus of every meeting in PTA should be our mission statement: **To make every child's potential a reality by engaging and empowering families and communities to advocate for all children.** With that statement, the Arizona PTA Board of Managers is excited to have you attend the 117th Annual Arizona PTA State Convention and give you the tools to empower yourself as local unit leaders and bring them forward to your communities. This year's theme is "The Game of PTA." We are eager to welcome local leaders like you to join us for two full days of learning, networking, fun, and celebrations!

As a valued member of our community, your presence makes a significant contribution to our Convention. We hope you will find the opportunity to network with other leaders, learn from expert speakers, and participate in interactive workshops. We have scheduled dedicated vendor time so that you can meet with vendors to plan for successful fundraisers for the upcoming year. We expect other nonprofits to join us and share programs you can bring back to your local units for the upcoming school year. Our workshop presenters will share insights into how we can all work together to achieve our goals for the betterment of our children.

As local unit leaders, time is a commodity. The value you'll derive from attending the Convention will be worth your time. You will connect and exchange ideas with other leaders, share your experiences, and learn from others. Plus, you'll have the chance to win some exciting prizes and participate in fun games that will help you learn more about the PTA.

This Convention is also perfect for celebrating your local Unit accomplishments with the entire state! You've done amazing things and need to share with our community and inspire others. Membership awards for local units and individual membership awards are ready and prepped for distribution! Your stories were fantastic, and the energy used to describe your events was terrific! And, of course, what would our Convention be without time to dance and celebrate? Our Convention Committee has planned a Great Gatsby-themed awards dinner on Saturday night. We look forward to you and your local unit attending wearing your finest inspired Great Gatsby outfits!

We are here with you! Take advantage to learn and ask questions! We are so happy to have you join us in person! Reconnect with old friends and make some new connections!

W:  rds!

Welcome from The National PTA President

Greetings PTA Members:

Welcome to your state convention! I hope that you are staying safe and well. Thank you for taking this time to learn and grow as a leader. Your attendance is a testament to your commitment to our PTA mission: *To make every child's potential a reality.*

I am honored to serve as the 57th national president of this incredible association that we love so much. PTA reached our momentous 125th Anniversary on Feb. 17, 2022, and it fills me with pride to say that our mission work is alive and thriving in communities across the nation.

We help every child reach for the stars, we empower our families to fully engage in their child's development, we support our teachers and staff, and most importantly, we raise our One PTA voice to advocate for all of our children's needs to all decision makers.

As Mother Teresa said, "The miracle is not that we do this work, but that we are happy to do it." The coming months will provide new challenges and new opportunities, but I know I can count on all of you to meet them with PTA passion, persistence and servant leadership.

My wish for you at your state convention is to leave this experience with a renewed mindset. Use this moment to recommit yourself to this work. Be open to possibilities. Today is a chance for all of us to rededicate ourselves to the mission and work even harder to make sure that our children are successful in their schools, and that families are engaged like never before.

Please know that National PTA is here to support you every step of the way. I encourage you to explore the available resources, especially the PTA for Your Child membership campaign, at PTA.org/MembershipCampaign. Remember, we want every family in our schools to join PTA, because we can do more together than apart.

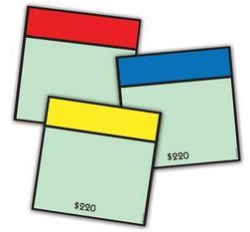

We can succeed in ensuring our children become all that they can be. Are you ready to start the work with me? I can't do it alone—so I can't wait to see what we can accomplish together, **as ONE PTA!**

Thank you for all that you do. Have a great convention!

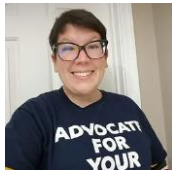

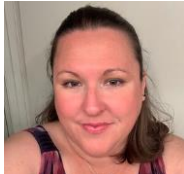

Sincerely,

Anna King
President, National PTA

Keynote Speaker

Councilmember Ann O'Brien Phoenix Council District 1

She is an Arizona native and has been a resident of District 1 since 2004. She made her mark in the community as an advocate for quality education--first as an active parent and volunteer in the Deer Valley Unified School District, and then as an elected Deer Valley Unified School District (DVUSD) Governing Board Member in 2014. She was reelected to the DVUSD Board in 2018 and is currently the Governing Board President.

Councilwoman O'Brien's extensive volunteer service to her community includes providing support to students, teachers and staff as a committee member of the of the Stetson Hills Elementary School Parent Teacher Student Association (PTSA) and the Sandra Day O'Connor Academy of History Booster Club. In 2017, she was elected to the Arizona School Board Association (ASBA), where she is currently the President and the appointed chairperson of the 2020 Legislative Committee.

Professionally, Councilwoman O'Brien is a proud Sun Devil, who has worked in project management with the Arizona Department of Child Support Enforcement and as a business broker for a local company.

With Council District 1 on the brink of great economic growth, Councilwoman O'Brien's focus are preparing the community for incoming industries and developments in the area, ensuring that transportation, housing and key infrastructures are part of the overall plan. Equally important to her are the community's concerns surrounding homelessness and public safety. Her goal is to work closely with neighborhood associations and Block Watches to understand their issues and public safety needs and determine a roadmap that provides a strategy in finding solutions.

In her first year on Council, Councilwoman O'Brien was made the Chair of the Public Safety & Justice Subcommittee where she successfully advocated for the increase of officer pay, adding more technology (such as drones) to the toolbelt of our officers, and worked to support budget language which would add more fire stations in areas of Phoenix which have experienced exponential growth. Councilwoman O'Brien also serves on two other subcommittees – Transportation, Infrastructure, & Planning, as well as Economic Development & Equity.

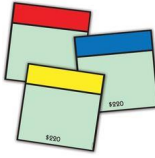

Family time is of great value to Councilwoman O'Brien. When she needs a refresh, she spends time with her husband of 27 years, Terry, along with their daughter, Amanda, and son, Thomas, both graduates of Sandra Day O'Connor High School and Northern Arizona University.

Keynote Speaker

Matthew John Rodriguez (MJ) Soar 2 New Heights

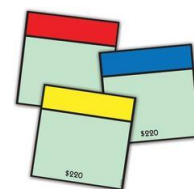

MJ is a passionate advocate for families and communities and has worked for over 30 years in multiple capacities to improve lives all over the world. Among some of his highest privileges have been serving on all levels of PTA, serving as the Chair for the Illinois Governor's Family and Community Engagement committee, working on multiple national boards, and last but not least serving the White House in 2010 on the White House Fatherhood Initiative Team and currently the White House Family Engagement Team.

MJ currently has several roles in the business sector, enjoys his own coaching and training company, and loves being an Executive Director on the John C. Maxwell Team, especially doing Country Transformation. Among his duties of building leadership, human behavior, emotional intelligence, sales and communication skills are making sure parents and educators are equipped with tools to **personally** grow and support tomorrow's growing youth.

In closing the most important role MJ has is being a father of 2 boys Mateo 28 and Joshua 13 as well as being a father figure and positive male role model for hundreds of youth that do not have that opportunity in their lives. He lives in Schaumburg, Illinois and immigrated from Cuba at the age of 13 to live his life of servant leadership until the Lord decides a different path is in order.

Roll the Dice..How to Run an Effective Meeting

To be determined

Candidate for President

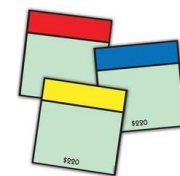

SARA GAGLIARDI

My current volunteer position with the Arizona PTA gives me an opportunity to support PTA'S in the state of Arizona. Part of my duties include monitoring region directors, committees, non-profit requirements for approx. 200 501(c) 3 non-profits, filing incorporation docs. Some of my previous duties were to monitor membership monthly, calculate the number of payments and membership before submitting to the National PTA. I help with keeping local PTA's up-to-date with current membership information, training as needed and current events through social media platforms. Being part of the Arizona PTA enabled me to work in various regions with local units. I have spent considerable time in the online program downloading data, updating online files, updating the database, responding to e-mails and phone calls as well as be present (and currently virtual) while chartering new local units. It has been my goal to join Arizona PTA to help educate units about the SOA requirements to help them stay current and be a successful PTA.

I feel the last few years with Arizona PTA has given me the time to experience what the team expects and deserves from a president. I have continued to attend president elect meetings with National PTA last year and this year along with National and state trainings to try and acquire as many skills as possible in order to serve. During my time as VP of Membership I pushed for and helped execute the introduction of the MemberHub platform to assist local units in a positive manner. I intend to always put the Arizona PTA organization, team, local units, and members in highest regard in whatever role I serve. Thank you for your consideration.

Parliamentary & Microphone Procedures

To expedite convention business, the following microphone procedures are being used:

Only voting delegates will be allowed to speak at a microphone. You must show your voting delegate card to the microphone attendant and present the completed motion form, and the motion form shall be taken to the Chair before being allowed to speak to make a motion, or an amendment. There will be two (2) microphones numbered #1 and #2 on the floor. Each microphone has a specific purpose.

Microphone #1:

- For proposing Main Motions and Amendments to motions.
- For delegates wishing to speak in favor of a motion.
- For making higher-ranking motions in order (such as previous question to close debate).
- For Requesting Information, facts that effect the business at hand.

Microphone #2:

- For delegates wishing to speak against a motion. or Extend (or Limit) Time for Debate.
- For Parliamentary Inquiry
- To Appeal, ask for a Point of Order, or Raise a Question of Privilege.
- For Convention Reports from Board of Managers.

All motions must be presented in writing on forms obtained from the microphone attendants.

Basic Parliamentary Terms and Definitions

Debate: Speak for (in favor of) or against (in opposition of) a motion.

Request for Information: To ask the President a question or to obtain information about the pending motion.

Previous Question: A motion to close debate and call the immediate pending question.

Raise Question of Privilege:

To protect the rights and privileges of the assembly or any delegate. Pressing situation affecting a right the of the assembly in regards to its comfort such as, temperature or ventilation issues, audio problems or disturbances. The President decides.

Parliamentary Inquiry:

Ask the President a question about parliamentary procedure.

If a certain motion is in order.

If the motion could be repeated, etc.

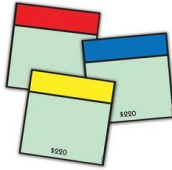

Request a Withdrawal of the Motion: A member who ***makes a*** motion ***may withdraw the motion before the chair states the motion.*** After the chair states the motion it requires a majority vote of the assembly.

Call for a Division: Request the vote be taken again by rising and it may be made from the floor without going to a microphone.

Division of the Question: If any part of the pending question is capable of standing alone to be discussed and voted on.

Parliamentary & Microphone Procedures (cont'd)

Basic Parliamentary Terms and Definitions -continued

Point of Order: If a motion is out of order in the existing parliamentary situation a point of order is raised by a delegate who calls to the Chair's attention a violation of the rules.

Appeal: Is made when the delegate does not agree with the ruling of the President. The appeal must be made at the time of the ruling; a majority vote or tie vote sustains the President's decision.

Amendment Procedures :

The motion "to amend" is used to modify the wording of the pending motion before the vote is taken pending motion itself is voted upon.

Delegates should use the proper terminology and identify the position in the motion where the amendment should be placed.

The processes for amending are the following:

Insert words or add at the end

Strike out words

Strike out and insert

Substitute - never less than a complete paragraph

Two amendments may be pending at one time:

A primary amendment and a secondary amendment to the primary amendment;

The primary (first) amendment must be germane (related) to the motion.

The secondary (second) amendment must be germane to the primary amendment.

Amendments require a majority vote.

Amendments must be submitted in writing on forms obtained from a microphone attendant.

All amendments to the proposed bylaws amendments must be within the scope of the notice placed in the Call to Convention.

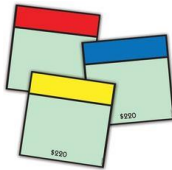

Arizona PTA Bylaws, Article XVIII, Parliamentary Authority states:

“The rules in the current edition of Robert’s Rules of Order Newly Revised shall govern the Arizona PTA and its constituent organizations in all cases in which they are applicable and in which they are not in conflict with these bylaws, and the National PTA Bylaws, or the Articles of Incorporation.”

All motions must be presented in writing on forms obtained from the microphone attendants.

Proposed Bylaws Amendments - Arizona PTA

The following proposed amendments are formatted to allow you to see the current bylaw wording and the wording of the bylaw provision if the bylaw amendment is adopted. Current bylaw wording is written in *italics*. Proposed new wording or changes are not in italics. New wording and changes are done in **bold**. Amendments are numbered to follow the sequence within the current approved bylaw document

PROPOSED AMENDMENT 1:

ARTICLE VII: MEMBERS AND DUES

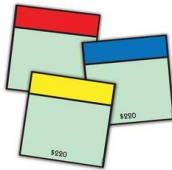

Section 9

<p>To Amend ARTICLE VII: Section 10. BY INSERTING the words, a local PTA/PTSA unit member's dues and required information to Arizona PTA for the member after the word receipt and the phrase by 11:59pm on before March 1 in the sentence.</p>	
<p>Current wording <i>ARTICLE VII: MEMBERS AND DUES Section 9</i></p>	<p>If adopted <i>ARTICLE VII: MEMBERS AND DUES Section 9</i> will read:</p>
<p>The final deadline for receipt of membership in order to qualify for voting privileges at local PTA/PTSA unit elections and at the annual Arizona PTA convention shall be March 1st of each year.</p>	<p><i>The final deadline for receipt of a local PTA/PTSA unit member's dues and required information to Arizona PTA for the member to qualify for voting privileges at local PTA/PTSA unit elections and at the annual Arizona PTA convention shall be by 11:59pm March 1 of each year.</i></p>

Rationale: Adding the time stamp will clarify any confusion on when the exact deadline is to be a voting member for elections. Adding the words "required information" is needed for local PTA/PTSA unit members to be aware that information is required in addition to the monetary dues payment.

APEX IS DIFFERENT

From our programs to our approach and the fact we live in your community, **we are a different kind of fundraising company.** Since 2011, we've been on a dedicated mission to create and share a healthier, more joyful, leadership-focused way for schools to raise money.

HERE'S WHAT SETS US APART

OUR CONSISTENT 2X RESULTS

Our all-in-one leadership-focused fundraising company consistently shows 2X the results of other fundraising products or sales-based programs that are often unhealthy and cumbersome.

OUR IN-SCHOOL ATHLETES

These are people who love working with kids and often spend as much as 300 hours on-site developing relationships and trust that drives the success of the fundraising program.

WE LIVE IN YOUR COMMUNITY

We care about your community because we're locally owned and we live here too. We know that when our work can raise funds (and the spirits) of those around us, we all win.

WE SET A POSITIVE EXAMPLE

Our character building program is informed through feedback from current principals regarding key challenges and behavior opportunities in today's elementary schools.

WHY PEOPLE PARTNER WITH US

80% OF FUNDS RAISED DIRECTLY IMPACT STUDENTS

Only 20% of your fundraising goes towards operational costs, Apex costs, and logistics.

EXPANDED DONATIONS REACH

Over 70% of our donations come from outside the community. With online pledging, students can tap into the support of extended networks.

STREAMLINED TECHNOLOGY

With our intuitive and personalized donations portal students can request, receive, and track donations from one easy to use dashboard.

MemberHub strengthens school communication, increases parent engagement and helps schools retain their families. MemberHub compiles all the tools that schools use separately to communicate and puts them into one easy-to-use program where teachers, parent, students, and administrators can all collaborate. All communications between teachers, staff, and parents become centralized, uniform, and easy. Schools can communicate school-wide, at the grade level, classroom level, and one-on-one. PTA/PTO groups, athletics, committees and other school groups use the same tool. Everyone knows where to go to find the latest information.

Why?

Because today in Arizona, almost **1 in 6 children** don't consistently get the food they need to grow and thrive. To put that in perspective, that's about 2 kids in every elementary classroom across the state.

We know that kids with growling tummies can't focus on learning, and that's a child's most important job.

Proposed Dues Increase Details

YOUR MEMBERSHIP DUES HELP PTAs SUCCEED

As a PTA member, you have National PTA to support and assist you as you run your PTA. With just over two million members, it is time to make an investment in our future to keep our mission thriving for the next generation of PTA members.

- Only **\$2.25** of each PTA member's dues go to National PTA.
- Over 70% of that amount goes to programs and services.
- With inflation, the purchasing power of \$2.25 is now worth just \$1.71

new Proposed Dues Rate - \$4.00

The \$1.75 increase will cover...

- Advocacy expenses to advance our public policy priorities
- Travel for state leaders
- Hosting national meetings
- Training and support for PTA leaders as you run your PTA
- Ensuring a PTA presence in every state
- Some revenue lost from inflation from 2011-2022

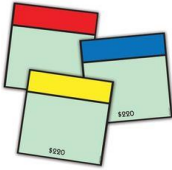

What Will Happen Next?

Delegates—as defined by our bylaws— will vote on the proposed due rate during the virtual convention in June.

We know there will be questions and thoughts throughout this process. We want this to be a transparent process and will have monthly conversations with state leadership and provide timely updates.

Send any questions you have about the proposed dues rate to [PTA.org/ProposedDuesRate](https://www.pta.org/ProposedDuesRate).

Legislative Platform Priorities

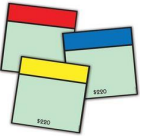

Per Arizona PTA Bylaws, Arizona PTA will bring forth the following amended PTA Legislative Platform Priority to the convention for discussion and approval by the General Session attendees.

1. Aggregate Expenditure Limit

Arizona PTA Advocates for the repeal of the Aggregate Expenditure Limit as it pertains to Arizona School Districts and the Economic Estimates Commission.

Brag Boards

All PTA/PTSAs are invited to bring a Tri-Fold Brag Board to Convention this year to show off your individual successes and accomplishments! This is a great opportunity to toot your horn and share great ideas with other PTA/PTSAs so that we can all be successful!
