# Invitation

The guiding force behind everything we do at the Arizona PTA is our mission statement: ***To make every child's potential a reality by engaging and empowering families and communities to advocate for all children.*** With that statement, the Arizona PTA Board of Managers is delighted to invite you to the 117th Annual Arizona PTA State Convention. It will occur on Friday, June 9, and Saturday, June 10, 2023. We will host the Convention at the Hilton Phoenix Resort at the Peak this year. This year's theme is "The Game of PTA," We are eager to welcome local leaders like you to join us for two full days of learning, networking, fun, and celebration!

As a valued member of our community, your presence will make a significant contribution to our convention. You can network with other leaders, learn from expert speakers, and participate in interactive workshops. We will have dedicated vendor time so that you can meet with vendors to plan for successful fundraisers for the upcoming year. We expect other nonprofits to join us and share programs you can bring back to your local units for the upcoming school year. Our workshop presenters will share insights into how we can all work together to achieve our goals for the betterment of our children.

We know you're busy, but we're confident that the value you'll derive from attending the convention will be worth your time. You'll be able to connect with other leaders, share your experiences, and learn from others. Plus, you'll have the chance to win some exciting prizes and participate in fun games that will help you learn more about the PTA. This is also the perfect opportunity to celebrate your local Unit accomplishments with the entire state! Membership awards for local units and individual membership awards are now open and ready to be submitted by you! We can't wait to see what all your local units have accomplished and read about all the fantastic people who have helped you reach your goals! And, of course, what would Convention be without time to dance and celebrate? Our Convention Committee has planned a Great Gatsby-themed awards dinner on Saturday night.

We look forward to you and your local unit attending wearing your finest inspired Great Gatsby outfits! To register for the convention, visit our website, [www.azpta.org](http://www.azpta.org) and complete the registration form. If you have any questions, feel free to contact us at [office@azpta.org](mailto:office@azpta.org). We hope to see you at the 117th Annual Arizona PTA State Convention on June 9 and 10, 2023! We look forward to your ideas and insights on how we can all work together to impact our children's lives.

Warmest Regards!

Anne Gabriellini  
President, Arizona PTA

Greetings PTA Members:

Welcome to your state convention! I hope that you are staying safe and well. Thank you for taking this time to learn and grow as a leader. Your attendance is a testament to your commitment to our PTA mission: *To make every child's potential a reality.*

I am honored to serve as the 57th national president of this incredible association that we love so much. PTA reached our momentous 125th Anniversary on Feb. 17, 2022, and it fills me with pride to say that our mission work is alive and thriving in communities across the nation.

We help every child reach for the stars, we empower our families to fully engage in their child's development, we support our teachers and staff, and most importantly, we raise our One PTA voice to advocate for all of our children's needs to all decision makers.

As Mother Teresa said, "The miracle is not that we do this work, but that we are happy to do it." The coming months will provide new challenges and new opportunities, but I know I can count on all of you to meet them with PTA passion, persistence and servant leadership.

My wish for you at your state convention is to leave this experience with a renewed mindset. Use this moment to recommit yourself to this work. Be open to possibilities. Today is a chance for all of us to rededicate ourselves to the mission and work even harder to make sure that our children are successful in their schools, and that families are engaged like never before.

Please know that National PTA is here to support you every step of the way. I encourage you to explore the available resources, especially the PTA for Your Child membership campaign, at [PTA.org/MembershipCampaign](https://PTA.org/MembershipCampaign). Remember, we want every family in our schools to join PTA, because we can do more together than apart.

We can succeed in ensuring our children become all that they can be. Are you ready to start the work with me? I can't do it alone—so I can't wait to see what we can accomplish together, **as ONE PTA!**

Thank you for all that you do. Have a great convention!

Sincerely,

A handwritten signature in black ink that reads "Anna King". The signature is written in a cursive, flowing style.

### CONFERENCE & EVENT ROOMS

## Candidate for President

### SARA GAGLIARDI

My current volunteer position with the Arizona PTA gives me an opportunity to support PTA'S in the state of Arizona. Part of my duties include monitoring region directors, committees, non-profit requirements for approx. 200 501(c) 3 non-profits, filing incorporation docs. Some of my previous duties were to monitor membership monthly, calculate the number of payments and membership before submitting to the National PTA. I help with keeping local PTA's up-to-date with current membership information, training as needed and current events through social media platforms. Being part of the Arizona PTA enabled me to work in various regions with local units. I have spent considerable time in the online program downloading data, updating online files, updating the database, responding to e-mails and phone calls as well as be present (and currently virtual) while chartering new local units. It has been my goal to join Arizona PTA to help educate units about the SOA requirements to help them stay current and be a successful PTA.

I feel the last few years with Arizona PTA has given me the time to experience what the team expects and deserves from a president. I have continued to attend president elect meetings with National PTA last year and this year along with National and state trainings to try and acquire as many skills as possible in order to serve. During my time as VP of Membership I pushed for and helped execute the introduction of the MemberHub platform to assist local units in a positive manner. I intend to always put the Arizona PTA organization, team, local units, and members in highest regard in whatever role I serve. Thank you for your consideration.

## What is the Reflections Program??

**Explore the Arts and Express Yourself** National PTA has a long-standing commitment to arts education. The Reflections program provides opportunities for recognition and access to the arts which boost student confidence and success in the arts and in life.

Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. This 50+ year-old program helps them explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence and find a love for learning that will help them become more successful in school and in life.

The 2023-2024 Reflections theme is: **I Am Hopeful Because...**

Students submit their completed works of art in one or all of the available arts categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, Visual Arts.

Arizona PTA will communicate deadlines and resources at [www.azpta.org/reflections](http://www.azpta.org/reflections), via social media and newsletters.

### Where do I start??

1. Get familiar with theme and the categories and recruit a team and a set of judges (August)
2. Promote your program, partner with teachers to see if they can make it part of their curriculum and build the buzz (mid-August to early September)
3. Officially kick off the program, highly recommended you start during National Arts in Education Week (Sept. 10 – 16, 2023)
4. Host an event during National Arts and Humanities Month (October) offer time, space and materials for students to participate in the arts.

# Value of PTA – Proposed Dues Increase

National  
**PTA**  
everychild.onevoice.®

## YOUR MEMBERSHIP DUES HELP PTAs SUCCEED

As a PTA member, you have National PTA to support and assist you as you run your PTA. With just over two million members, it is time to make an investment in our future to keep our mission thriving for the next generation of PTA members.

- Only **\$2.25** of each PTA member's dues go to National PTA.
- Over 70% of that amount goes to programs and services.
- With inflation, the purchasing power of \$2.25 is now worth just \$1.71

### **new** Proposed Dues Rate - \$4.00

#### The \$1.75 increase will cover...

- Advocacy expenses to advance our public policy priorities
- Travel for state leaders
- Hosting national meetings
- Training and support for PTA leaders as you run your PTA
- Ensuring a PTA presence in every state
- Some revenue lost from inflation from 2011-2022

#### What Will Happen Next?

Delegates—as defined by our bylaws— will vote on the proposed due rate during the virtual convention in June.

We know there will be questions and thoughts throughout this process. We want this to be a transparent process and will have monthly conversations with state leadership and provide timely updates.

Send any questions you have about the proposed dues rate to [PTA.org/ProposedDuesRate](https://www.pta.org/ProposedDuesRate).
